Ultimately update on August 26, 2019 at 09:00 by Aermath 17 comments enchanting focuses on imbuing weapons and armor with mother powers. To do this, they have already empowered items and turn them into a usable push, essence and fragments to be the materials for their enchantments. Due to this ability, it is strongly suggested to learn this profession as soon as possible, so you can start disenchanting any unusual (green) or better items you find to get the necessary materials. In this guide, let's review how to enjoy this profession, how to level quickly, and how to use your charming effectively. If you were looking for the classic counseling, see our the classic enchanting leveling guide.

1. Professions to pair with enchantment if you are a cloth armor user, you should consider tailoring, which like Enchanting, is not dependent on materials gathered, making the two fans of the endless pairing. This also has the advantage of being able to design tailoring products or created during the leveling of your professional, or intentionally made to be enchanted, which we have listed in the obtaining of charming materials of the section Tailoring. If you are not a cloth armor, enchanting can also be paired with any of the other collection professions, such as herbalism, skinning or minerity to make a good gain from the side. 2. Enchanting trainers and where to find them you can learn charming from any charming coach, which you can find in most capital cities (usually that of your raja, such as orgrimmar for orcs or wraps for dwarfs and gnomes). When you arrive in your city, you can ask any city guard for directions. After asking the charming coach, he will be marked on his map, allowing you to go to them and learn charming, as well as new how you level it. Below is a selected list of coaches Lovers we compile for you. All capital cities|Journeyman and an expert coach except darnassus, we've been listed the top coach in each capital city. To learn Artisan Enchanting, you will need to go to Uldaman Dungeon, see our artisan section for details. Alanna RaveNeye (Journeyman): Teldrassil, The Oracle Glade (36.34 on the broader map) Lucan Cordell (Expert): Stormwind City, Mage Quarter (42.64) Gimble Thistlefuzz (Expert): IronForge, Great Forge (59.45) Xylinnia Starshine (Expert): FERNAM\* You should notice that, to learn expert and Artisan Enchanting, you will need to talk to special coaches (see our expert and artisan sections for details). 3. How to enchant and rest charming items need a special handcrafted rune rod to apply their charms to items. When you learn this profession, you will also learn how to create your first, a Runed copper rod. As you measure your ability to delight, you will also create stronger to apply the enchanting of the upper. To provide the materials, you will use the Disenchant ability in armor and weapons that are at least unusual (green) quality. By disenchanting an item, you will transform it into charming materials, such as p's, essay, shards or crystals, and by doing so, you will destroy this item permanently. Take care of what you choose for disenchant, you are not going to regret it later. If you choose the wrong item for Disenchant, do not enter the pad; just press the "exhaust" key or move your character before completing the city's M ressel. x52 ecnessE lartsA retaeRG x2 ecnessE lartsA resseL x21 ecnessE lartsA retaeRG x2 ecnessE lartsA resseL x51 tsuD noisullI x28 tsuD maerD x003 tsuD noisV x061 tsuD luoS x07 tsuD ohnartsE x502. sedadilbah satroc rahlaf \*Acov es siairetam siam ed rasceryp edop \*Acov. edadilbah moc odaraza ©Ä ofÄn \*Acov euq odnimussa ,003 a 1 ed levÄN oa sor;Ässecn siairetam so ©Ä euq e 003 ©Äta iav ,edadilbah ed levÄN 002 egmita \*Acov odnaug ,53 levÄN meganosrep on odidnerpa res edop :levÄN nasitR ;522 ©Äta iav ,edadilbah ed levÄN 521 rignita \*Acov odnaug ,02 levÄN meganosrep on odidnerpa res edop ;atsilaicepsE ed levÄN ;051 ©Äta iav ,edadilbah ed levÄN 05 egmita \*Acov odnaug ,01 levÄN meganosrep on odidnerpa res edop :namyenruof ed levÄN ;57 ©Äta iav ,edadilbah ed levÄN 1 ed ritrap a asÄemoc ,5 levÄN meganosrep on odidnerpa res edop ;megazidnerpa ed levÄN ;setniugres so ofÄs ratnacnE arap ofÄssiforp ed levÄN ed setropus so .odut me edadilbah ed otrop mu ehl-rad medop ofÄn saznic satiecer sa euq etnem me ahnet ,ossid m©ÄÄA .sarac uo sassaace ofÄs savitanretlia sa odnaug anep a melav sanepa so-odnanrot ,edadilbah ed otrop mu ofÄredecno© ehl etnamar sedrev satiecer ,sedadilbah ofÄd etniareg setse omoc ,levÄteica avitanretlia amü ©Ä olerama ,ajnaral ogla raicr edop ofÄn \*Acov eS .oicÄfÄ rop edadilbah amü etnarag siop ,ol \*Azaf arap otarab ©Ä euq erpms ofÄssiforp ed unem us me ajnaral sneti raicr rereuq iav \*Acov ,etnemeteicifE rodatanacnE ralevin ed mit Ä 003 a 1 ed levÄN o etnemadipar ratnacne omoc Ä .ÄÄ metti oa al;Äcliba e adgesed alum\*ÄÄ a oriemirp odnehlocse metti esse a otmenatnacne o racilpaÄ ,\*odalcoogen [Äres ofÄN] tols on sneti sues racoloc e oic©Ämoc mu rirba iav \*Acov uo sele ,sneti sues sa otmenatnacne mu euqilpa \*Acov euq rreug rodagoy mu odnaug ,edarf ecacrefni ad s©Ävartia serodagoy sortuo a serodatnacne racilpa edop \*Acov ,ossid m©ÄÄA .metti o odnavlas ,ralocnac [Äri ele e ocnele 2x Greater Mystic Essence 1x Lesser Nether Essence 7x Greater Nether Essence 50x Purple Lotus \*25x Crystal Vial 4x Greater Ence EncesSHARD SHARD 1x Shadowgem 1x PORLA IRIDENTE 1x 1x PORLA BLACK 1x PARLA GOLDEN \*1x COPPER STORE \*\* 1x Silver rod \*\* 1x Golden rod \*\* 1x Truesilver Step \*\* 1x Archantio rod \*\* may be purchased from commercial suppliers. \*\* Created via blacksmith. 4.1.
